Comments: _____

Components of the project as shown on the plans and supporting documents prepared by this registered professional conform to all the applicable requirements of all applicable Acts, Regulations and By-laws. Further, the undersigned will be responsible for inspections of the above-referenced components during construction, as required by Manitoba Building Code Amendment, Article 2.2.7.2 (1) – Review of Construction.

The undersigned also assured competence in the necessary fields of expertise to undertake the project on the basis of training, ability and expertise in the appropriate professional and technical disciplines.

As used herein, inspections shall mean such reviews of the work at the project site and at fabrication locations, where applicable, as the registered professional, on the basis of professional discretion, considers necessary in order to ascertain that the work conforms in all respects to the plans and supporting documents prepared by this registered professional for which the Building Permit is issued. This includes keeping records of all site visits and any corrective action taken as a result thereof. Copies of the inspection reports will be provided to the authority having jurisdiction upon request.
